# THE MASTERMIND BRIDGE

Our Online Essentials Bundles give you the tools—the Business Essentials Mastermind gives you the coach. If you've ever finished a module and wished you could ask a professional, "How do I apply this to my business?", this is your next step.

## WHY JOIN THE MASTERMIND?

- The "Middle Ground": More support than a video, more affordable than 1-on-1.
- Virtual Board of Directors: Get your specific questions answered in a collaborative, partnership-focused environment.
- Expert Guidance: Move from "learning the concepts" to "executing the strategy" with a coach in your corner.
